The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Bill:

I greatly appreciate your efforts to insure the continued effectiveness and competitiveness of the American intelligence community in these, often difficult, times. Your leadership has been superior and I look forward to continuing and expanding our close working relationship on a variety of vital intelligence matters.

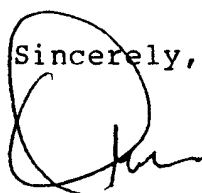

I especially appreciate the assistance which I received from certain CIA officials during my recent trip to Asia. As you know, I led a congressional delegation to the People's Republic of China, Pakistan, India, Thailand, the Philippines, the Republic of China on Taiwan and the Republic of Korea from January 6-17, 1986. I met with several Chiefs of Station along the way and was pleased by their cooperation and willingness to accommodate our desires. The trip was most useful. Again, thanks to you and your staff for making sure our trip was such a success.

STAT On another topic, Bill, I would appreciate it if a new member of my Senate Labor Committee staff, Mr. Christopher A. Williams, could be cleared immediately for access to [redacted] materials. As you recall, in 1983 you cleared a designated member of my Labor Committee staff for codeword to assist me in staying abreast of international labor trends and other activities relevant to the full scope of the committee's jurisdiction. Chris has replaced that staff person as of January 2, 1986. Unless you have any objections to continuing this arrangement, please have your Office of Security contact Mr. Williams to provide him with the appropriate clearance forms. He currently holds a [redacted] clearance first granted on September 28, 1983.

STAT

Again, Bill, thank you for your assistance in this and other matters.

Sincerely,

Orrin G. Hatch  
United States Senator
